These qualified bidders should submit with their bids any information updating their original prequalification applications or, alternatively, confirm in their bids that the originally submitted prequalification information remains essentially correct as of the date of bid submission. The update or confirmation should be provided in Section IV.

(b) If, after opening of bids, where prequalification has not been undertaken, it is found that any of the document listed in 5.3 and 5.4 is missing the Employer may request the submission of that document subject to the bid being substantially responsive as per clause 27. The non-submission of the document by the Bidder within the prescribed period may lead to the rejection of its bid.

5.3 If the Employer has not undertaken prequalification of potential bidders, all bidders shall include the following information and documents with their bids in Section IV, unless otherwise stated in the BDS:

(a) copies of original documents defining the constitution or legal status, place of registration, and principal place of business;

signed by all partners and submitted with the bid, together with a copy of the proposed agreement;

(d) one of the partners shall be nominated as being in charge, authorized to incur liabilities, and receive instructions for and on behalf of any and all partners of the joint venture; and

(e) the execution of the entire Contract, including payment, shall be done exclusively with the partner in charge.

5.5 To qualify for award of the Contract, bidders shall meet the following minimum qualifying criteria, unless otherwise specified in the BDS:

(a) a minimum average annual financial amount of work over the period specified in the BDS.

(e) liquid assets and/or credit facilities, net of other contractual commitments and exclusive of any advance payments which may be made under the Contract, of no less than the amount specified in the BDS.

A consistent history of litigation or arbitration awards against the Applicant or any partner of a Joint Venture may result in disqualification.

5.6 The figures for each of the partners of a joint venture shall be added together to determine the Bidder’s compliance with the minimum qualifying criteria of ITB Sub-Clause 5.5(a), (b) and (e); however, for a joint venture to qualify the partner in charge must meet at least 40 percent of those minimum criteria for an individual Bidder and other partners at least 25% of the criteria. Failure to comply with this requirement will result in rejection of the joint venture’s Bid. Subcontractors’ experience and resources will not be taken into account in determining the
Bidder’s compliance with the qualifying criteria, unless otherwise stated in the BDS.

6. Conflict of Interest

6.1 A Bidder shall not have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest with one or more parties in this bidding process, if:

(e) a Bidder participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the party is involved. However, this does not limit the inclusion of the same subcontractor in more than one bid; or

(f) a Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the contract that is the subject of the Bid.

7. Cost of Bidding

7.1 The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible or liable for those costs.

8. Site Visit/Pre-bid Meeting

8.1 (a) The Bidder, at the Bidder’s own responsibility and risk, is encouraged to visit and examine the Site of required Services and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the Services. The costs of visiting the Site shall be at the Bidder’s own expense.

(b) A pre-bid meeting shall be held if so indicated in the BDS to allow bidders to obtain clarifications on the bidding documents. Any information given in the course of the meeting that may have an incidence in the preparation of the bids shall be issued by the Public Body as addendum after the meeting, as
Section I. Instructions to Bidders

per ITB 11.2, to form part of the Bidding Documents.

The request for clarification and the response shall be in writing via e-mail or facsimile, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids in accordance with ITB Clause 28.

28.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder, shall be considered as binding upon the Bidder. 30. Evaluation and Comparison of Bids

30.1 The Employer will evaluate and compare only the bids determined to be substantially responsive in accordance with ITB Clause 27.

30.2 In evaluating the bids, the Employer will determine for each Bid the evaluated Bid price by adjusting the Bid price as follows:

(a) making any correction for errors pursuant to ITB Clause 28;

(b) excluding provisional sums and the provision, if any, for contingencies in the Activity Schedule, Section IV, but including Day work, when requested in the Specifications (or Terms of Reference) Section V;

(c) making an appropriate adjustment for any other acceptable variations, deviations, or alternative offers submitted in accordance with ITB Clause 18; and
(d) making appropriate adjustments to reflect discounts or other price modifications offered in accordance with ITB Sub-Clause 23.5.

30.3 The Employer reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors, which are in excess of the requirements of the bidding documents or otherwise result in unsolicited benefits for the Employer will not be taken into account in Bid evaluation.

30.4 The estimated effect of any price adjustment conditions under Sub-Clause 6.6 of the General Conditions of Contract, during the period of implementation of the Contract, will not be taken into account in Bid evaluation.

Cut stump herbicide treatment
What is cut stump herbicide treatment?
Cut stump herbicide treatment is a simple way to control woody invasive plants. An herbicide solution is applied directly to the stump top immediately after cutting down the plant. The herbicide kills the stump and prevents new growth that would normally occur after cutting alone.

Equipment to be used
For larger stems/trunk a lightweight chainsaw is recommended. A handsaw/pruning shears or sharp machete is adequate for smaller stems. Cut stump herbicide treatments are most easily applied with backpack sprayers or handheld pressurized spray bottles, can also be applied using a paintbrush.

Note: Herbicide mixture will be provided by Le Morne Heritage Trust Fund

Procedure for cut stump method
➢ All woody invasive alien species with trunk/stem diameter ranging from 1cm to 25cm will be targeted by this method.
➢ All woody invasive alien species will have to be cut down 1-5cm close to the ground for maximum efficiency of herbicide treatment.
➢ Cut shall be approximately horizontal/even cut for best efficiency and NOT a slant cut.
➢ Herbicide mixture to be applied all over the cut stump just after cut is made.

Ring barking method

What is ring barking?
Girdling, also called ring-barking is the complete removal of living tissue (cambium layer) till the sapwood from the entire circumference of a trunk.

Equipment to be used
A chainsaw or axe is imperative for this method. Herbicide is to be applied using a 2 inch paint brush all over the wound.

Note: Herbicide mixtures will be provided by Le Morne Heritage Trust Fund

Procedure for ring barking

➢ All woody invasive alien species with trunk diameter greater than 15cm (>15cm) will be targeted.
➢ Exotic trees of smaller diameter can be directly felled
➢ The ring shall be made all around the circumference having a width of 15cm and the cambium layer removed till the sapwood. All living tissue must be scraped off till the sapwood is reached. The woody invasive species shall be girdled at a height of approximately 1m above ground level.
➢ The bark and cambium layer shall imperatively be removed to increase kill efficiency.
➢ Herbicides are to be applied all over the exposed bark just after the trunk is ringed

The titles, agreed job descriptions, minimum qualifications, and estimated periods of engagement in the carrying out of the Services of the Service Provider’s Key Personnel are described in Appendix C. The Key Personnel and Subcontractors listed by title as well as by name in Appendix C are hereby approved by the Employer.

4.2 Removal and/or Replacement of Personnel

(a) Except as the Employer may otherwise agree, no changes shall be made in the Key Personnel. If, for any reason beyond the reasonable control of the Service Provider, it becomes necessary to replace any of the Key Personnel, the Service Provider shall provide as a replacement a person of equivalent or better qualifications.

(b) If the Employer finds that any of the Personnel have:

   (i) committed serious misconduct or have been charged with having committed a criminal action, or

   (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel,

then the Service Provider shall, at the Employer’s written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the Employer.

(c) The Service Provider shall have no claim for additional costs arising out of or incidental to any removal and/or replacement
5. Obligations of the Employer

5.1 Assistance and Exemptions
The Employer shall use its best efforts to ensure that the Government shall provide the Service Provider such assistance and exemptions as specified in the SCC.

5.2 Change in the Applicable Law
If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost of the Services rendered by the Service Provider, then the remuneration and reimbursable expenses otherwise payable to the Service Provider under this Contract shall be increased or decreased accordingly by agreement between the Parties, and corresponding adjustments shall be made to the amounts referred to in Sub-Clauses 6.2 (a) or (b), as the case may be.

5.3 Services and Facilities
The Employer shall make available to the Service Provider the Services and Facilities listed under Appendix F.

6. Payments to the Service Provider

6.1 Lump-Sum Remuneration
The Service Provider’s remuneration shall not exceed the Contract Price and shall be a fixed lump-sum including all Subcontractors’ costs, and all other costs incurred by the Service Provider in carrying out the Services described in Appendix A. Except as provided in Sub-Clause 5.2, the Contract Price may only be increased above the amounts stated in Sub-Clause 6.2 if the Parties have agreed to additional payments in accordance with Sub-Clauses 2.4 and 6.3.

6.2 Contract Price
(a) The price payable in local currency is set forth in the SCC.
(b) The price payable in foreign currency is set forth in the SCC.

6.3 Payment for Additional Services, and Performance Incentive Compensation
6.3.1 For the purpose of determining the remuneration due for additional Services as may be agreed under Sub-Clause 2.4, a breakdown of the lump-sum price is provided in Appendices D and E.

6.4 Terms and Conditions of Payment
6.4 Payments will be made to the Service Provider according to the payment schedule stated in the SCC. Unless otherwise stated in the SCC, the advance payment (Advance for Mobilization, Materials and Supplies) shall be made against the provision by the Service Provider of a bank guarantee from a bank operating in Mauritius for the same amount, and shall be valid for the period stated in the SCC. Any other payment shall be made after the
conditions listed in the SCC for such payment have been met, and the Service Provider have submitted an invoice to the Employer specifying the amount due.

### 6.5 Interest on Delayed Payments

If the Employer has delayed payments beyond fifteen (15) days after the due date stated in the SCC, interest shall be paid to the Service Provider for each day of delay at the rate stated in the SCC.

### 6.6 Price Adjustment

6.6.1 Prices shall be adjusted for fluctuations in the cost of inputs only if provided for in the SCC. If so provided, the amounts certified in each payment certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor to the payment amounts due in each currency. A separate formula of the type indicated below applies to each Contract currency:

\[
P_c = A_c + B_c \frac{Lmc}{Loc} + C_c \frac{Imc}{Ioc}
\]

Where:

- \( P_c \) is the adjustment factor for the portion of the Contract Price payable in a specific currency “c”.
- \( A_c, B_c \) and \( C_c \) are coefficients specified in the SCC, representing:
  - \( A_c \) the nonadjustable portion;
  - \( B_c \) the adjustable portion relative to labor costs and
  - \( C_c \) the adjustable portion for other inputs, of the Contract Price payable in that specific currency “c”; and

- \( Lmc \) is the index prevailing at the first day of the month of the corresponding invoice date and \( Loc \) is the index prevailing 28 days before Bid opening for labor; both in the specific currency “c”.

- \( Imc \) is the index prevailing at the first day of the month of the corresponding invoice date and \( Ioc \) is the index prevailing 28 days before Bid opening for other inputs payable; both in the specific currency “c”.

If a price adjustment factor is applied to payments made in a currency other than the currency of the source of the index for a particular indexed input, a correction factor \( Zo/Zn \) will be applied to the respective component factor of \( pn \) for the formula of the relevant currency. \( Zo \) is the number of units of currency of the country of the index, equivalent to one unit of the currency payment on the date of the base index, and \( Zn \) is the corresponding number of such currency units on the date of the current index.
6.6.2 If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account of all changes in cost due to fluctuations in costs.

6.7 Dayworks

6.7.1 If applicable, the Daywork rates in the Service Provider’s Bid shall be used for small additional amounts of Services only when the Employer has given written instructions in advance for additional services to be paid in that way.

6.7.2 All work to be paid for as Dayworks shall be recorded by the Service Provider on forms approved by the Employer. Each completed form shall be verified and signed by the Employer representative as indicated in Sub-Clause 1.6 within two days of the Services being performed.

6.7.3 The Service Provider shall be paid for Dayworks subject to obtaining signed Dayworks forms as indicated in Sub-Clause 6.7.2

6.8 Labour Clause

6.8.1(a) The remuneration and other conditions of work of the employees of the Service Provider shall not be less favourable than those established for work of the same character in the trade concerned-

(i) by collective agreement applying to a substantial proportion of the employees and employers in the trade concerned;

(ii) by arbitration awards; or

(iii) by Remuneration Orders.

(b) Where remuneration and conditions of work are not regulated in a manner referred to at (a) above, the rates of the remuneration and other conditions of work shall be not less favourable than the general level observed in the trade in which the contractor is engaged by employers whose general circumstances are similar.

6.8.2 No Service Provider shall be entitled to any payment in respect of work performed in the execution of the contract unless he has, together with his claim for payment filed a certificate:

(a) showing the rates of remuneration and hours of work of the various categories of employees employed in the execution of the contracts;

(b) stating whether any remuneration payable in respect of work done is due;

(c) containing such other information as the Chief
Executive Officer of the Public Body administering the contract may require to satisfy himself that the provisions under this clause have been complied with.

6.8.3 Where the Chief Executive Officer of the Public Body administering the contract is satisfied that remuneration is still due to an employee employed under this contract at the time the claim for payment is filed under subsection 1, he may, unless the remuneration is sooner paid by the Service Provider, arrange for the payment of the remuneration out of the money payable under this contract.

6.8.4 Every Service Provider shall display a copy of this clause of the contract at the place at which the work required by the contract is performed.

7. Quality Control

7.1 Identifying Defects

The principle and modalities of Inspection of the Services by the Employer shall be as indicated in the SCC. The Employer shall check the Service Provider’s performance and notify him of any Defects that are found. Such checking shall not affect the Service Provider’s responsibilities. The Employer may instruct the Service Provider to search for a Defect and to uncover and test any service that the Employer considers may have a Defect. Defect Liability Period is as defined in the SCC.

7.2 Correction of Defects, and lack of Performance Penalty

(a) The Employer shall give notice to the Service Provider of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.

(b) Every time notice of a Defect is given, the Service Provider shall correct the notified Defect within the length of time specified by the Employer’s notice.

(c) If the Service Provider has not corrected a Defect within the time specified in the Employer’s notice, the Employer will assess the cost of having the Defect corrected, the Service Provider will pay this amount, and a Penalty for Lack of Performance calculated as described in Sub-Clause 3.10.3

8. Settlement of Disputes

8.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably all disputes
arising out of or in connection with this Contract or its interpretation.

8.2 Dispute Settlement

8.2.1 If any dispute arises between the Employer and the Service Provider in connection with, or arising out of, the Contract or the provision of the Services, whether during carrying out the Services or after their completion, the matter shall be referred to the Adjudicator within 14 days of the notification of disagreement of one party to the other.

8.2.2 The Adjudicator shall give a decision in writing within 28 days of receipt of a notification of a dispute.

8.2.3 The Adjudicator shall be paid by the hour at the rate specified in the BDS and SCC, together with reimbursable expenses of the types specified in the SCC, and the cost shall be divided equally between the Employer and the Service Provider, whatever decision is reached by the Adjudicator. Either party may refer a decision of the Adjudicator to an Arbitrator within 28 days of the Adjudicator’s written decision. If neither party refers the dispute to arbitration within the above 28 days, the Adjudicator’s decision will be final and binding.

8.2.4 The arbitration shall be conducted in accordance with the arbitration procedure published by the institution named and in the place shown in the SCC.

8.2.5 Should the Adjudicator resign or die, or should the Employer and the Service Provider agree that the Adjudicator is not functioning in accordance with the provisions of the Contract, a new Adjudicator will be jointly appointed by the Employer and the Service Provider. In case of disagreement between the Employer and the Service Provider, within 30 days, the Adjudicator shall be designated by the Appointing Authority designated in the SCC at the request of either party, within 14 days of receipt of such request.
